

# **SUPREME COURT OF GEORGIA**

Case No. S03D0647

Atlanta    March 7, 2003

The Honorable Supreme Court met pursuant to adjournment.  
The following order was passed.

## **JANE W. GRAHAM v. RALPH E. GRAHAM**

The motion for reconsideration of this Court's denial of the application for discretionary review is denied. On motion for reconsideration, applicant asserts her application should stand automatically granted under this Court's January 2003 pilot project. The pilot project is applicable to "all non-frivolous applications in divorce and/or alimony cases," i.e., those discretionary applications timely filed from the final judgment and decree of divorce. Applicant's discretionary application, timely filed from the entry of a declaratory judgment in which the trial court construed the previously-entered final judgment and decree of divorce, does not fall within the pilot project and was denied after a review of its merits pursuant to OCGA § 5-6-35(a)(2).
