RE: Motion for New Trial List

Dear Ms. Barnes:

Please find attached the list of all felony cases in the Clayton County Circuit that are either pending judgment on a Motion for New Trial or transmission of a Record on Appeal.

However, this list is not accurate due to inaccurate information contained in our clerk's filing system. We have identified the problems and are in the process of correcting errors in the system. To that end, I have also attached a more accurate list of cases, though not in the required format, which we are using to make corrections to the system and to assure we submit a more accurate and complete list in the future.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Robert L. Mack, Jr., Chief Judge
Clayton County Superior Court
Clayton Judicial Circuit
